

Collection Systems: Pipes & Couplings, O & M and Regulatory Issues

In an effort to meet the needs of our wastewater systems operators, the North Carolina Rural Water Association (NCRWA) is pleased to present a one day (6 contact hours) seminar on Collection Systems: Pipes & Coupling, O & M and Regulatory Issues. The NCRWA believes that this seminar will refresh certified operators on issues and concerns in the daily operations of a wastewater collection system.

There will be no charge for this seminar; however pre-registration is required to plan for seating. The staff of NCRWA looks forward to seeing you at the seminar.

****Due to DENR training regulations, all sessions will begin promptly; attendees arriving past start time may not receive credit for the seminar.**

****Please bring your Operator Certification Numbers as they will be required at registration.**

Agenda

8:00am
