

**Operator Industry Topics:
Operator Ethics, Blueprint Reading,
Chemical Feed Systems,
Lessons Learned**

In an effort to meet the needs of our water and wastewater systems operators, the North Carolina Rural Water Association (NCRWA) is pleased to present a one day (6 contact hours) seminar on the above listed topics. NCRWA believes that this seminar will refresh certified operators on issues and concerns in the daily operations of a wastewater or water treatment system.

There will be no charge for this seminar; however pre-registration is required to plan for seating. The staff of NCRWA looks forward to seeing you at the seminar.

****Due to DENR training regulations, all sessions will begin promptly; attendees arriving past start time may not receive credit for the seminar.**

****This NCRWA training course has been approved by the NCWTFOCB/WPCSOCC for 6 professional growth hours for all Water / Wastewater Certifications. ****
