

# **Water Well Rehab: Water Well Problems & Effective Solutions**

The North Carolina Rural Water Association, along with Subsurface Technologies, Inc. and Pump Engineering Sales & Service Co., are hosting a one day seminar on Water Well Rehab: Water Well Problems & Effective Solutions. This seminar should prove beneficial to every water system in North Carolina. You will need to bring pencil and a notepad. No other materials will be required.

There will be no charge for this seminar; however pre-registration is required to plan for seating. The staff of NCRWA looks forward to seeing you at the seminar.

This NCRWA training course has been approved by the NCWTFOCB for 6 professional growth hours for all Water Certifications. Water CEU #: 101624
