

PRETREATMENT LABORATORY TECHNICIAN \$29,933 – \$54,143

(Engineering Department – Utilities Division)

Provides administrative and technical direction as the Pretreatment Technician for Durham County's Triangle Wastewater Treatment Plant. Performs intermediate technical work in planning, implementing and participating in wastewater sampling and inspection of pretreatment facilities and performing chemical and bacteriological tests. Leads the Industrial Pretreatment Program to ensure compliance with Federal, State, and Local pretreatment regulations and to prevent pollutant pass through, interference or biosolids contamination. **Requires** any combination of education and experience equivalent to a bachelor's degree in chemistry, environmental biology, or a related field and 6 months of pretreatment administration, wastewater laboratory or wastewater operations experience.

SPECIAL REQUIREMENT: Must possess a valid driver's license issued by the State of North Carolina for the type of vehicle or equipment operated and must obtain NC Wastewater Grade I operator certification within one year of employment.

Appointment Type: Regular
Date Posted: July 19, 2010
